

**IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT
IN AND FOR ORANGE COUNTY, FLORIDA**

ORANGE COUNTY CLASSROOM
TEACHERS ASSOCIATION,

GENERAL JURISDICTION DIVISION

CASE NO.:

Plaintiff,

v.

ORANGE COUNTY PUBLIC SCHOOLS; and
DR. BARBARA JENKINS in her capacity as
Superintendent of Orange County Public Schools;

Defendants.

COMPLAINT FOR INJUNCTIVE RELIEF

COMES NOW, Plaintiff, THE ORANGE COUNTY CLASSROOM TEACHERS ASSOCIATION (hereinafter “OCCTA” or the “Union”), by and through undersigned counsel, and files this Complaint against Defendants ORANGE COUNTY PUBLIC SCHOOLS (hereinafter “OCPS” or the “District”) and BARBARA JENKINS, in her capacity as Superintendent of Orange County Public Schools, alleging as follows:

1. This is an action for injunctive relief to enforce the provisions of Chapter 119, Florida Statutes and for temporary injunctive relief pending arbitration to protect the health and lives of the over 14,000 educators it represents and the students they are charged with, and to protect the integrity of the arbitration process under its collective bargaining agreement (“CBA”) with OCPS.

2. On numerous occasions, Plaintiff has requested that Defendants produce any public records with the names of schools with COVID-19 identified cases or outbreaks and what is being done to disinfect those schools and keep employees and students safe. The public

deserves access to this information, it is paramount to their safety including the safety of Orange County's students and educators. The District has repeatedly refused to provide this information.

3. Plaintiff is pursuing a contractual grievance challenging the District's failure to, among other things, "maintain safe and healthful working conditions including the provision of safety equipment" as required by the CBA. The Plaintiff seeks to enjoin Defendants from the unsafe physical reopening of Orange County Public Schools until the parties' dispute is heard by an arbitrator.

4. Defendants actions put the health and safety of 25,000 school employees and over 200,000 students, and all of their families, at unnecessary and avoidable risk. Absent an injunction ordering Defendants to produce records that they are legally required to make public, the community will be left in the dark regarding facts that are essential to their health and safety. Absent an injunction from this Court, by the time an arbitrator reaches a decision on the grievance, it will be far too late to remedy the harms caused by the District's failure to comply with its contractual obligations—thousands of teachers, students, and their families will have already been exposed to the deadly COVID-19 virus.

JURISDICTION AND VENUE

5. This is an action seeking injunctive relief. This Court has jurisdiction pursuant to Fla. Stat. § 26.012(c).

6. Venue is appropriate in Orange County, Florida as the cause of action accrued in Orange County and Defendants maintain their permanent place of business in Orange County. Fla. Stat. § 47.011.

PARTIES

7. Plaintiff OCCTA is a labor organization, as defined by Fla. Stat. § 447.02, that may maintain any action or suit, pursuant to Fla. Stat. § 447.11. OCCTA is the certified collective bargaining representative of approximately 14,389 educators employed by OCPS, pursuant to Fla. Stat. § 447.307. OCCTA represents the interests of OCPS teachers and support staff for the purposes of collective bargaining.

8. Defendant Orange County Public Schools is a public-school district organized and existing within Orange County, Florida pursuant to Fla. Stat. § 1001.30. Defendant is the custodian of public records, as that term is defined in Fla. Stat. § 119.011(5).

9. Defendant Dr. Barbara Jenkins is the Superintendent of Orange County Public Schools, and the secretary and executive officer of the Orange County School Board responsible for the administration and management of the schools pursuant to Fla. Stat. § 1001.32. Superintendent Jenkins is appointed by the School Board and has administrative authority for the direction and operation of the school system under policies adopted by the School Board.

FACTS

i. Alarming Community Spread and Transmission of COVID-19 in Orange County

1. Orange County is experiencing a dramatic surge of COVID-19, an infectious disease caused by a recently discovered coronavirus. In early March, the spread of the virus was so prevalent around the world that the outbreak was characterized as a pandemic by the World Health Organization. Since then, Florida has devastatingly become the international epicenter of the pandemic.

2. On March 9, 2020 Governor Ron DeSantis issued Executive Order 20-52, declaring a State of Emergency for COVID-19 throughout the State of Florida. The State of Emergency in Florida has since been extended numerous times and remains in place.

3. In early March 2020, in light of this undisputed public emergency, schools across the country and state began to close their facilities and deliver online instruction while students, teachers, and the community remained at home to stay safe and mitigate community transmission of the virus. Orange County Public Schools closed their brick-and-mortar locations and transitioned to online learning on or about March 23, 2020 and remained physically closed for the remainder of the 2019-2020 School Year.

4. At the time OCPS closed its brick-and-mortar schools in March, Orange County had less than ten (10) confirmed cases of COVID-19. As of July 27, 2020, that number had increased to over 27,000.

5. Orange County now has the highest community transmission in Central Florida, with 27,393 cases, 735 hospitalizations, and 174 deaths as of July 27, 2020.¹

6. The spread of the virus is showing no sign of slowing down, with more than 8,000 new cases in Orange County alone in the past 14 days.² Behind these numbers are real lives—illness and deaths in our families, lifelong disability, and months of rehabilitation.

7. Transmission of the virus and hospitalizations among children have also increased in Florida, with an increase of over 34% in one week and a positivity rate of 14.4% among children.³ So far Orange County has seen 1,525 pediatric cases of COVID-19—before schools have begun face-to-face instruction.

ii. The Unsafe Reopening of Orange County Brick-and-Mortar Schools Amid a COVID-19 Outbreak

8. The public-school teachers, nurses, psychologists, and other educators that OCCTA represents are members of the community in Orange County. Many of them have underlying conditions that put them at higher risk for serious complications from COVID-19, and approximately 1,147 OCCTA members are age 60 or older. They have families that they come home to at the end of each school day, they have children who they want to keep safe just as every other parent in the county does, and many are in charge of caring for their elderly relatives.

9. Every educator wants to get back to the classroom **as soon as it is safe to do so**. That time has not arrived. Instead, teachers are being given an arbitrary date to return to brick-and-mortar schools, with no consideration of the reality of this dangerous decision. Teachers are now being forced to consider leaving the job they love in order to keep themselves and their loved ones healthy and safe in the middle of a deadly pandemic.

10. For months, the CDC has reiterated that the full-sized, in-person, classes create the highest risk and that, schools should remain closed where community transmission is high—as it is in Orange County. On July 22, the CDC released supplemental guidelines that align with their previous recommendations:

If there is substantial, uncontrolled transmission, schools should work closely with local health officials to make decisions on whether to maintain school operations. **The health, safety, and wellbeing of students, teachers, staff and their families is the most important consideration in determining whether school closure is a necessary step. . . if community transmission levels cannot be decreased, school closure is an important consideration.**⁴

⁴ <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/prepare-safe-return.html>

11. Even as Florida experiences an alarming increase in COVID-19 cases, hospitalizations, and deaths, Florida's Commissioner of Education issued Executive Order No. 2020-EO-06 that Defendants contend require them to open all brick-and-mortar schools in August. Nevertheless, local school officials in several counties like Miami-Dade, Broward, and Palm Beach County have acknowledged that they have a responsibility to keep students and the community safe, and have decided that brick-and-mortar schools will remain closed until health authorities deem they can be reopened safely. These school districts will be starting the school year with online instruction for all students.

12. In contrast, amidst the undeniable resurgence of cases in Orange County, on July 14, 2020 the Orange County School Board, **upon the persistence of Defendant Jenkins**, voted to submit a plan to the Florida Department of Education to open all OCPS brick-and-mortar schools for in-person learning on August 21, 2020.⁵ Defendants' actions directly contradict CDC guidance and jeopardize the health and safety of students, educators, and the community at large.

13. Like other districts across Florida and the country who have announced they will not re-open until it is safe, Orange County educators and students also have the capability of engaging in online instruction until it is safe to reopen schools. Indeed, all OCPS students will be engaging in online learning from August 10th, but only until August 21st at which point thousands of students will physically return to schools. There is no need to put educators, their families, and the public at risk by ignoring the advice and guidance of health experts and the CDC in the middle of the uncontrolled resurgence of the COVID-19 pandemic in Orange County.

14. Defendants have also failed to put the proper safety protocols in place for when schools are scheduled to reopen in less than a month. Comprehensive safety plans for reopening are

⁵ [https://go.boarddocs.com/fla/orcpsfl/Board.nsf/files/BRLFZF4188B4/\\$file/2020-21%20Florida's%20Optional%20Re-opening%20Plan.pdf](https://go.boarddocs.com/fla/orcpsfl/Board.nsf/files/BRLFZF4188B4/$file/2020-21%20Florida's%20Optional%20Re-opening%20Plan.pdf)

just as important as decisions regarding the timing of when it is safe to reopen school buildings. Reopening consistent with health expert and CDC guidelines on physical distancing, sanitation, and use of Personal Protective Equipment requires thoughtful planning. Upon information and belief, in conflict with CDC guidelines:

- i. Defendants have not developed a comprehensive plan to train employees on proper safety protocols.
- ii. Defendants will not have enough nurses or clinical capabilities to deal with the unique and dangerous circumstances.
- iii. Defendant's will require teachers to simultaneously teach students who are in their classroom while virtually interacting with students who are at home, making it impossible to ensure that those in the classroom are social distancing, and creating a dangerous and pedagogically unsound requirement to monitor and teach students in several different locations at one time.
- iv. Defendants will not implement clear procedures to reduce capacity on buses or ensure adequate social distancing on school transportation.
- v. Defendants will not implement clear guidelines and a schedule for increased routine cleaning, disinfection, and proper sanitation of facilities and equipment including, but not limited to, daily sanitation of all schools, deep cleaning at least once per week, classroom sanitation in between classes, and consistent sanitation of high use surfaces, areas, and equipment.
- vi. Defendants will not ensure that ventilation systems operate properly.
- vii. Defendants will not reduce class sizes to comply with CDC guidance and have indicated they will only maintain physical distancing guidelines "when feasible."

- viii. Defendants will not include the adequate time in daily schedules for every student and employee to implement adequate hygiene practices and social distancing.
- ix. Defendants will not require that faculty meetings be held virtually.
- x. Defendants will require Social Workers, Psychologists, Counselors, and other employees to meet face-to-face with students in their office even when physical distancing cannot be maintained.
- xi. Defendants will require employees to conduct home visits.
- xii. Defendants will not guarantee remote assignments for educators at high risk for serious complications such as employees with chronic medical conditions and/or who are 65 years or older, or for those caring for high risk family members.

15. During the summer, the District's lack of preparation and commitment to protect educators became alarmingly and abundantly evident. In June and July, several employees returned to schools to teach summer school and complete other assigned duties only to find that safety protocols were severely lacking the adequate safety equipment was not available. As case and death rates radically increased, the District nevertheless failed to provide adequate PPE, take the temperature of people entering the building, ensure physical distancing, or properly disinfect schools. Indeed, even with the limited number of people physically present, there were COVID-19 outbreaks in at least 18 schools.

16. On July 22, 2020, OCPS sent out a survey to parents allowing them to choose one of three options for the start of the 2020-2021 School Year in August. The options included face-to-face in-classroom learning; LaunchEd@Home (an on-line learning tool where student continue to learn at home, following a traditional bell schedule, while remaining registered at their enrolled school); and Orange County Virtual School (a more easygoing online program that does not allow

students to remain enrolled at their school). This survey was released after the District had already submitted its reopening plan to the Department of Education. Per the survey, parent choice will guide whether an educator has to engage in in-person learning, and the number of students that will be placed in each classroom, regardless of whether physical distancing will be feasible.

17. A similar survey was sent out to educators. Notably, however, teachers would only be allowed to indicate their *preference*—the fate of their health, and that of their own children and families, would ultimately lie with the survey sent out to parents. OCPS employees are given no real choice when it comes to their own safety and that of their own families and children, many of which are also public-school students.

18. Meanwhile, on July 22, 2020, the Florida Education Association (“FEA”), the state’s largest association of professional employees, released its own survey of almost 50,000 parents and educators.⁶ Across the state, less and 10% of educators want to physically return to their schools in the middle of the pandemic resurgence, and 39% of educators reported that they are more likely to retire or leave education earlier than planned due to the forced physical reopening of schools. Moreover, 77% of non-educator parents said they preferred their children to continue with online learning or a hybrid model instead of returning in-person and 53% said they’re not willing to send their child back to school in the fall at all.

19. As a result of Defendants’ actions, thousands of students and employees will nevertheless be reporting to public schools throughout Orange County in less than a month absent intervention by this Court. They will be sharing common equipment and areas, including hallways, classrooms, and bathrooms. In turn, these thousands of individuals will return to their families and to the community to inevitably accelerate the spread of COVID-19.

⁶ <https://feaweb.org/news/news/reopen-survey-results/>

20. While schools in some countries were able to reopen safely with comprehensive safety protocols **at a time when community spread was controlled**, brick-and-mortar school openings in other countries have demonstrated the risks of opening prematurely and without sound safety practices. For example, schools in Israel opened in May while the country had relatively low infection rates, but the COVID-19 outbreaks that followed forced them to shut down again only weeks later.⁷

21. A recent South Korean study suggests that while children younger than 10 spread the virus less often than adults, children of all ages can cause clusters of infection.⁸ Further, the study posits that older children transmit the virus just as easily as adults and increased interaction once schools reopen may cancel out any smaller risk of younger children infecting others.

22. Educators and their families are not the only ones being put at risk by Defendants' actions. While children fortunately have a lower risk of developing severe illness from the virus, there have already been 883 children hospitalized because of COVID-19, and 79 children have died, even as schools across the country remain closed.⁹ In Florida, there have been 31,150 cases, 303 hospitalizations, and 5 deaths in children under 18—including the death of a 9 year old girl with no underlying health conditions.¹⁰

23. Educators are bound by Principles of Professional Conduct including the requirement to “make reasonable effort to protect the student from conditions harmful to learning and/or to the student’s mental and/or physical health and/or safety.”¹¹ Rule 6A-10.081, Florida Administrative Code. Failure to comply with this principle subjects teachers to revocation or

suspension of their educator’s certificate or other penalties provided by law.¹² Requiring teachers to participate in face-to-face instruction with students during a pandemic, against the recommendation of health experts, directly requires them to violate these principles and jeopardize their educator certificates, and **encroaches on the very values that are at the core of their profession.**

24. Florida Governor, Ron DeSantis, has stated “[w]e must all continue to do our part to protect Florida’s most vulnerable and avoid the 3 Cs: closed spaces, crowded places and close-contact settings.”¹³ It is undeniable that, due to their very nature, it is not possible to avoid “the 3 Cs” in school settings.

25. By reopening brick-and-mortar schools in Orange County in the middle of a resurgence of this deadly virus, Defendants are risking the public health and preventing effective community mitigation.

iii. The District’s Unlawful Refusal to Provide the Public with Key Information about the Safety of Students and Educators

26. On more than one occasion over the summer, employees who reported to their worksites were met with closed schools that had been shut down due to COVID-19 outbreaks. Employees were not warned beforehand, and had no way of knowing the criteria used to close those schools or what was done to sanitize those buildings that were closed.

27. On July 10, 2020, and numerous times thereafter, Plaintiff requested that Defendants produce the following public records:

- a. A list of names of all worksites where there are and/or have been individuals who had tested positive for COVID-19 since June 1, 2020.

¹¹ Rule 6A-10.081, Florida Administrative Code, Principles of Professional Conduct for the Education Profession in Florida.

¹² *Id.*; Florida Statutes; § 1012.795.

¹³ <https://twitter.com/govrondesantis/status/1283012645457715202?lang=en>

- b. The total number of employees at all OCPS schools and worksites who have been identified as being COVID-19 positive since June 1, 2020.
- c. The process used by the District to sanitize rooms and offices, and to identify other individuals within building, where COVID-19 positive employees have worked or been in direct contact with.
- d. Moving forward, OCCTA formally requested to be notified within 24 hours the names of the buildings and sites where employees have been identified as being COVID-19 positive.

28. The District has repeatedly refused to provide this material information and responded that employee medical records, and information which if disclosed would identify the employee, are confidential and exempt from the provisions of Fla. Stat. § 119. **The District's response misconstrues the law and the request, in an attempt to conceal information that is of paramount importance to the public it serves.** OCCTA seriously respects privacy and confidentiality. Plaintiff has not requested the names or medical records of employees or any identifiable information that would disclose confidential medical material. Each OCPS school has numerous students and employees and the mere disclosure of **worksites**, and **sanitation protocols**, will not reveal any private information. In fact, it is information that public health officials including the CDC have stressed is necessary to allow for proper safeguards in the workplace.

29. **Every parent and teacher has a right to know whether they have potentially been exposed to the virus at school. Indeed, CDC officials have stated that schools that physically reopen should commit to issuing notifications when there are COVID-19 cases in school.**¹⁴

¹⁴ <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/prepare-safe-return.html>

30. The District's refusal to make this information public underscores its failure to meaningfully communicate with key stakeholders including OCCTA, parents, and local health authorities; exacerbates the communities' anxiety; and impedes safe and science-based decisions. The District has unduly delayed responses to other material questions and documents that are critical for OCCTA to safeguard its employees. It couldn't readily answer simple questions like whether all schools had a nurse on staff, or whether schools had sufficient custodial staff to properly sanitize buildings.

31. Public and private employers from across the country have acknowledged the importance of sharing information relating to the COVID-19 transmission at their worksite. While they too respect privacy, they have made the right decision to maintain confidentiality while safeguarding public safety and the health of their employees, customers, and communities.

32. Not only is this a public record that must be disclosed to the public upon request, as an employee organization CTA is entitled to information affecting the employees it represents, including facts about disease transmission at their worksites and what OCPS is doing to avoid further transmission.

33. The requested information must be provided to Plaintiff and the public on an ongoing basis so that parents and educators can know if they or their students have been exposed to this vicious virus, and so they can be sure the District is doing everything it can to keep educators and children safe.

34. **To date, the District has refused, after multiple requests, to provide this life-saving information.**

iv. The Collective Bargaining Agreement

35. OCCTA and the District are parties to a collective bargaining agreement (“CBA”) governing wages, hours, and conditions of employment for bargaining unit employees employed by OCPS. Exhibit A. The CBA is effective December 6, 2019 through June 30, 2021.

36. By operation of the parties’ CBA and Florida law, OCCTA is the collective bargaining representative of over 14,000 Orange County educators.

37. Article III of the CBA sets forth a multi-step grievance procedure that contains enforceable provisions for binding arbitration of all grievances which are defined by the Agreement as “[a] dispute involving a violation, misinterpretation, or misapplication of a provision(s) of this Contract.” Exhibit A at 10.

38. On July 25, 2020 OCCTA filed a class action grievance of behalf of thousands of Orange County educators alleging the District violated, misinterpreted, and misapplied the terms and conditions of employment set forth in the CBA when it unilaterally decided to reopen schools in the middle of a COVID-19 resurgence, and without the necessary safety protocols, in contradiction of the guidelines of health authorities including the CDC. Exhibit B.

39. The CBA provides that “[t]he Board agrees to maintain safe and healthful working conditions including the provision of safety equipment.” Exhibit A at 25. As stated in the grievance,

[b]y forcing the reopening of all brick and mortar schools amid a resurgence of COVID-19 cases the District is failing to maintain ‘safe and healthful working conditions,’ as required by the CBA, Florida law, and moral obligation. Health authorities, including the CDC, caution that **physically reopening schools with the current community spread of COVID-19 in Orange County is unsafe and creates the highest risk—people will die.** The District’s lack of sound safety protocols, refusal to follow CDC guidelines, and failure to provide necessary training and make the adequate provision of safety equipment as employees returned to the worksite over the summer underscores its **reckless disregard for the health of students and educators and the dangers they will face if schools are physically open in August.** The District has not developed any plan to correct these unsafe conditions.

Exhibit B.¹⁵

40. Given the severity and immediacy of the threat educators are facing with Defendants' re-opening of schools, while infection rates are extremely high and without the necessary resources or adequate safety measures in place, OCCTA has requested that the grievance be expedited and heard by an arbitrator within 72 hours, by Tuesday, July 28th. However, the District has failed to respond to the request to expedite the grievance and, absent agreement, the grievance might not be heard for over three months pursuant to the timeframes established by the CBA. In the meantime, the Defendants intend to move forward with their deficient and unsafe plans to open brick-and-mortar schools in a matter of weeks, thereby risking the health and safety of thousands of educators, their students, and the community at large.

**COUNT I: CLAIM FOR INJUNCTIVE RELIEF TO ENFORCE THE PROVISIONS OF
CHAPTER 119, FLORIDA STATUTES**

Plaintiff realleges paragraphs 1-40 above.

41. Despite Plaintiff's repeated requests, Defendants' have unlawfully failed to produce or permit the inspection of public records, in violation of Chapter 119, Florida Statutes, and in disregard of the health and safety of thousands of children, educators, and their families. The community demands this information to make informed and fact-based decisions.

42. Plaintiff is seeking information that respects privacy and is crucial to public health. The documents requested include records that are of great public interest, including documents relating to COVID-19 outbreaks at schools and information regarding what is being done to protect educators and children. Its production is critical to the safety of students and teachers and the transparent operations of the District.

43. Absent an injunction from this Court, Plaintiff and the public will suffer irreparable injury for which no adequate remedy is available at law. Failure to produce the requested public records will unnecessarily paralyze the public's ability to know whether they've been exposed to this unforgiving virus and obstruct the ability of parents and educators to make decisions regarding their own safety and the safety of their children.

44. Plaintiff requests an immediate hearing. Pursuant to Fla. Stat. § 119.11(1), "[w]henver an action is filed to enforce the provisions of this chapter, the court shall set an immediate hearing, giving the case priority over other pending cases."

45. Plaintiff has incurred reasonable costs and attorney's fees in this matter.

COUNT II: CLAIM FOR A TEMPORARY INJUNCTION PENDING ARBITRATION

Plaintiff realleges paragraphs 1-40 above.

46. This Court has the authority to issue injunctive relief. Fla. Stat. § 26.012(3).

47. Plaintiff seeks an injunction which will prohibit the Defendants from the unsafe reopening of schools in violation of the parties' Collective Bargaining Agreement, and from taking action to unreasonably force OCCTA's over 14,000 bargaining unit members to report to schools in the middle of an uncontrolled resurgence of COVID-19 cases, hospitalizations, and deaths.

48. Pursuant to the CBA, Defendants have a duty to "maintain safe and healthful working conditions including the provision of safety equipment." Exhibit A at 25. Defendants decision to unsafely reopen schools for in-person learning in just a few weeks, regardless of the substantial and uncontrolled community spread in Orange County, violates the CBA and recklessly puts educators' lives and health at risk.

¹⁵ The grievance further cites violations of several other CBA provisions by the District's actions including, but not limited to, making unilateral changes to terms and conditions of employment, failing to bargain in good faith, failing to provide bargaining representatives with authority to reach agreements, and refusing access to information.

49. OCCTA filed a grievance regarding the District's violation and misapplication of this and other provisions of the CBA. Exhibit B. However, in order to protect the public and save lives, Plaintiff seeks to enjoin Defendants from unsafely reopening brick-and-mortar schools on August 21st, and from requiring employees to report to worksites even sooner, pending the resolution of the OCCTA's grievance at arbitration.

50. The grievance seeks an order from an arbitrator requiring the District to maintain brick-and-mortar schools closed, and proceed with online instruction for all students, until health authorities and the CDC guidelines deem it is safe to open; develop and implement comprehensive safety protocols in compliance with CDC guidelines; and provide meaningful training to all employees on said protocols and the delivery of online instruction.

51. The arbitrator has authority to grant the relief requested in the grievance. Unfortunately, any arbitration award issued on the Union's grievance will come too late and will be rendered meaningless if temporary injunctive relief is not granted by this Court. Injunctive relief in this matter is necessary to protect the arbitral process itself, and the health and safety of thousands of educators and students.

52. The Supreme Court of the United States has held that a court can issue an injunction in the context of a labor dispute in order to preserve the arbitral process. *Boys Markets, Inc. v. Retail Clerks Union Local 770*, 398 U.S. 235 (1970). Florida courts have the authority to grant temporary injunctions pending arbitration. *See Korn v. Ambassador Homes, Inc.*, 546 So. 2d 756, 757 (Fla. 3d DCA 1989).

53. Plaintiff has a substantial likelihood of success on the merits. Absent an injunction, the 14,000+ OCCTA members and their families and all of Orange County will be increasingly exposed to illness and potentially death.

54. As a party to the Collective Bargaining Agreement and a labor organization charged by the laws of this State with an affirmative duty to advance grievances and take measures necessary to protect the interests of Defendants' employees, Plaintiff has a clear legal right and interest in the subject matter of this lawsuit.

55. There is an undeniable likelihood that the thousands of educators represented by Plaintiff will suffer immediate and irreparable injury if Defendants order the premature and unsafe reopening of schools in August, prior to exhaustion of the grievance and arbitration process. This is a case where the Defendant's actions, which will go into effect just a few weeks, will jeopardize public health and safety in a manner which is incurable. Thousands of educators will unnecessarily be required to go into public schools at a time when community mitigation is paramount, thereby accelerating the spread of the highly contagious COVID-19 virus. Lives are at stake.

56. Any harm that Defendants may suffer from having to take steps to assure the health and safety of its employees and students is greatly outweighed by the harm that the thousands of educators represented by Plaintiff will suffer absent an injunction.

57. Plaintiff has no adequate remedy at law for the harm arising out of the Defendants actions. Plaintiff's bargaining unit members are suffering and will continue to suffer irreparable harm unless the acts and conduct of Defendants are enjoined. They will be required to put their health and lives at risk by returning to unsafe schools amid an uncontrolled outbreak of COVID-19 before Defendant's CBA violation is resolved by an arbitrator. It will be impossible for the contractual grievance procedure to retroactively protect the health and safety of educators if Defendants' actions expose them to the virus before there is an opportunity to resolve the

grievance and ensure safe working conditions. Emergency action is needed from this Court to protect OCCTA members and the community.

58. Plaintiff respectfully requests that, upon service of this Complaint on the Defendant, this Court set an immediate hearing regarding this request for temporary injunctive relief.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff prays for relief and judgment as follows:

1. To order Defendants to produce the requested records and allow Plaintiff to inspect, examine and make copies thereof;
2. To issue a temporary injunction prohibiting the Defendants from forcing OCCTA bargaining unit employees to report to public schools before that parties' dispute can be resolved by an arbitrator;
3. An award of attorney's fees and costs; and
4. To grant such other relief as this Court deems appropriate.

ARTICLE II
NEGOTIATIONS PROCEDURES

- A. The parties agreed to implement a Collaborative Bargaining Process beginning with the 1998-99 fiscal year within the authority of Chapter 447 of the Florida Statutes and any appropriate rules and procedures. Salary and fringe benefits shall be automatically reopened each year, as well as any provisions imposed by the Board. In compliance with requirements that tentative agreement items must be formally ratified, the parties agree to establish the following protocol:
 - 1. Formal ratification votes on tentative agreement(s) by the parties shall be held as needed.
 - 2. Interim decisions to implement agreements before formal ratification shall be confirmed in writing in the form of a Memorandum of Understanding.
 - 3. Issues may be raised for consideration through an appropriate process at any time during the length of this ratified agreement.
- B. If negotiations reach impasse, the procedures as set forth in the Florida Statutes and/or the rules of the Public Employees Relations Commission shall be followed. At the request of either party, a mediator shall be appointed.
- C. Neither party shall have any control over the selection of the bargaining representatives of the other party, and the parties mutually pledge that their representatives will be empowered to reach tentative agreement on items being negotiated. Should either party utilize the services of outside consultants to assist in negotiations, the party using the consultants shall pay for any cost incurred for such services.
- D. This Contract may not be modified in whole or in part except by mutual written agreement.
- E. If any provision or application of this Contract is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. The parties shall either immediately meet to reopen negotiations on that provision or application or mutually agree to deal with the matter in subsequent negotiations.
- F. The agreements in this Contract shall supersede any rules, regulations, or practices of the Board which are contrary to or inconsistent with the terms recorded herein.
- G. There shall be two official signed copies of the final ratified Contract, one to be retained by each of the parties. The Board agrees to print one thousand five hundred (1,500) copies of the

current Contract for distribution to new hires. A link will be provided to all employees during pre-planning each school year. The Association will be provided 500 copies of the full contract each year.

- H. The parties shall mutually agree on parameters to release from duty Association team members following bargaining sessions which extend late.
- I. Tentative agreements shall be reduced to writing and submitted for ratification, within an agreed upon time, to the employees and to the Board. Failure to ratify tentative agreements shall make such tentative agreements null and void.
 - 1. The parties may agree to submit packages of tentative agreements for ratification to the employees and the Board at any time.
 - 2. If impasse is declared, the parties shall meet to review any pending tentative agreements unrelated to the impasse and to consider their submission for ratification as outlined in Section 1. above, prior to a special master hearing and prior to a public hearing.
- J. During the term of this Contract the Association and the Board recognize that events may arise which require a mutual interpretation or modification of this Contract that does not constitute a substantive change in employees' salaries or benefits. Under these circumstances, the parties are authorized to enter into a settlement agreement or memorandum of understanding expressing these interpretations or modifications. If such are entered into during the term of this Contract, they will remain in effect until expiration of the Contract, until superseded by the Contract, or until mutually withdrawn by the parties.
- K. Operating Procedures and Guidelines:
 - 1. The Collaborative Bargaining Leadership Team (CBLT) shall be composed of equal numbers of CTA members and District personnel.
 - 2. The CBLT mutually agrees to coordinate and participate in appropriate training opportunities designed to support the process and/or build skills essential to the success of the process. The CBLT may utilize the services of consultants to assist in the negotiations. Any cost incurred shall be shared equally by the parties.
 - 3. Define consensus as a status in which all members can support the decision and use consensus as the preferred decision making strategy in all decisions.

4. Operate as an open forum to identify, explore and resolve issues of importance to CTA and the District using District personnel as resources. The CBLT will solicit and value input from personnel affected by the outcome of the process.
5. All monies, except for School Recognition Dollars allocated by the Legislature as “bonus” and/or “incentive money” for teachers, shall be subject to discussion by the Collaborative Bargaining Leadership Team before distribution.
6. The CBLT will establish committees and will receive, review and make final decisions on recommendations from appropriate committees. All decisions are to be supported by data from those committees. All committee meetings will be accurately recorded.
7. Communicate with employees through a variety of mediums.
8. There will be a notice to the CBLT participants before either party communicates any specific issues generated or discussed during the CBLT process unless it is mutually agreed to amend this timeline.

L. Provisions to submit issues to the CBLT

1. Employees shall submit issues to the CBLT using the Issues for Submission form found on the CBLT websites:
<https://www.ocps.net/es/legislative/laborrelations/Pages/default.aspx> and www.orangecta.com.
2. Forms may be found at individual work locations or the Association office.
3. The CBLT shall determine the appropriate action to be taken and notify the submitting party of such action.

M. Committees of the CBLT

4. Committees shall identify options supported by data to be recommended to the CBLT.

5. Committees shall keep accurate records of all committee meetings.
6. Committees and Task Forces

- a. Standing Committees

The Collaborative Bargaining Leadership Team has established standing committees to field issues and concerns from their stakeholders. The committees meet on a regular basis to discuss issues and to collect data to support their recommendations. Each committee presents periodic reports and recommendations to the Collaborative Bargaining Leadership Team. The committees are as follows:

- 1.) Finance and Compensation
- 2.) Assessment
- 3.) Human Resources
- 4.) Compliance
- 5.) Calendar
- 6.) Grants

- b. Joint Committees

- 1.) The parties agree to continue a joint Fringe Benefits Committee to discuss current insurance coverages, review alternatives to the current coverages, and recommend improvements in the current coverages relative to benefits and cost. Discussions shall include co-payments, co-insurance, deductibles, out-of-pocket maximums, annual employee premium increases over 10% and all items outlined in Appendix C.

In addition, the Committee will review and recommend changes in third party administrators and PPO providers, participate in the development of specifications for insurance benefit programs and other contracts prior to their being released for bid, and review bids prior to the time of awarding contracts.

- a.) If any products after being offered for three consecutive years (including the introductory year) has less than 5% participation of benefited employees, the product will be discontinued subject to the approval of the Fringe Benefits Committee. Employees enrolled in any discontinued product will be assisted in making a transition during a six month notification period (in the third year). Exceptions are as follows:

- i. If a product has less than 5% participation, but saves both the district and the employee money, it will be continued (i.e. Flexible Spending Account (FSA)).
 - ii. Products that can be purchased at a lower cost through group rates and are not readily available to individuals.
 - b.) If a product is available in the market place on an individual basis at a comparable cost and benefit structure, it will not be offered by the District.
 - c.) The joint Fringe Benefits Committee shall be comprised of equal representatives from the Association, the Board, and each of the other recognized bargaining agents within the District.
 - d.) The joint Fringe Benefits Committee may submit proposed changes in the insurance package to the Superintendent for analysis of both program input and cost, for future use in bargaining. The joint Fringe Benefits Committee shall have no power or authority to agree to any changes in insurance that would require negotiations.
 - e.) Any changes to the insurance program which are not subject to bargaining but must be approved by the Board, shall require at least a 30-day prior notice to the Committee.
- 2.) The parties agree to continue the Joint Safety Committee to review current safety rules and practices at the various work-sites, to provide a vehicle for the handling of complaints, and to determine additional ways for enhancing safety conditions. This committee shall meet bi-monthly beginning in September or within 30 days of ratification, whichever is sooner.
 - 3.) The parties agree to continue the Sick Leave Bank Committee: the Association President shall serve on the Sick Leave Bank Committee.
 - 4.) The parties agree to continue the budget committee comprised of equal representatives from the Superintendent, the Board, and the OESPA and CTA CBLTs. c. Ad Hoc Committees

The Collaborative Bargaining Leadership Team establishes ad hoc committees to field issues and concerns from their stakeholders. The committees meet on a regular basis to discuss issues and to collect data to support their recommendations. Each committee presents periodic reports and recommendations to the Collaborative Bargaining Leadership Team. The committees meet to address a specific purpose and are not on-going standing or joint committees as defined elsewhere in this article. The ad hoc committees may include but are not limited to ESE, Instructional Support and Career and Technical Education.

ARTICLE III

GRIEVANCE PROCEDURE

- A. A grievance shall be defined as a dispute involving a violation, misinterpretation, or misapplication of a provision(s) of this Contract. The grievance procedures set forth below shall be used for the settlement of said disputes.
- B. General Provisions
1. Only a member of the bargaining unit, a group of members of the bargaining unit, or the Association may file a grievance. Whenever the word "grievant" is used herein it may refer to any of the above.
 2. A grievant may have representation by the Association at any step of the grievance procedure. Representation by the Association shall include the right to speak and to present arguments and evidence on behalf of the grievant.
 3. Nothing in this Article shall be construed to prevent any employee from presenting at any time his/her own grievance, in person or by legal counsel, and having such grievance adjusted without the intervention of the Association, if the adjustment is not inconsistent with the terms of this Contract, and if the Association has been given reasonable opportunity to be present at any meeting called for the resolution of such grievance.
 4. Each written step in the grievance procedure shall be filed on a standard form as agreed to between the parties.
 5. The Association shall inform the Employee Relations Department of the grievance number, school and grievant's name when a written grievance is filed.

6. The parties agree to attempt to resolve grievances at the lowest possible level, and shall present documentation and other needed information to that end.
7. All grievance meetings, including arbitration hearings, shall be held during the employee's duty day and within his/her work year, unless the parties mutually agree to hold such meetings at other times. No employee shall suffer loss of pay for attending such meetings as a witness or party to the grievance.
8. The parties agree that tape recording of any grievance meeting, other than an arbitration hearing, shall not be done without the express permission of all persons present.
9. Either party to a grievance shall be granted a three duty day extension at any step in the processing of the grievance, provided that party notifies the other party, in writing, prior to the date that the time period for that step would elapse. The time limits prescribed herein may be modified by mutual agreement of the parties.
10. Whenever illness or other incapacity of a party to a grievance prevents attendance at a grievance meeting, the time limits shall be extended to such time that the party can be present, except that the grievant may appeal to the next step if the designated administrator is incapacitated beyond ten duty days.
11. If at any step in the grievance procedure, no disposition is made within the time limits prescribed for that step, the grievant shall have the right to proceed to the next step. If the grievant fails to appeal to the next step within the prescribed time limits, his/her right to proceed with the grievance shall be waived.
12. If a grievance arises as the result of a condition which the administrator is without jurisdiction to resolve, the grievance shall be filed directly to the Employee Relations Department, and placed at Step III of the grievance process and a meeting shall be held in an effort to resolve the matter, as provided for in Section C.3. of this article. Prior to scheduling the meeting, the written grievance shall be provided to the Employee Relations Department, with a copy to the Association.
13. A grievant may withdraw his/her grievance at any step, but that same grievance may not be filed a second time, unless it is of a continuous nature.
14. If at any point during the processing of a grievance the grievant elects to seek resolution of a particular issue through a judicial or administrative agency proceeding, s/he shall waive the right to pursue only that particular issue through the grievance procedure.
15. The Board shall assure the grievant and any witnesses freedom from restraint, interference, coercion, discrimination or reprisal in the processing of a grievance in accordance with Florida Statute.

16. The filing of a grievance shall in no way interfere with the right of the Board to carry out its management responsibilities, subject to the final decision on the grievance. However, the final decision on the grievance shall be in accordance with Florida Statute.
 17. Any grievance pending at the time of expiration of this Contract shall be processed to completion, according to the provisions herein.
 18. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the official personnel file of the grievant, except those that operationally or statutorily are required to be reflected in the personnel file.
- C. Grievances shall be processed as outlined below. The employee may choose to have representation at all steps of the process.

1. Step I: Good Faith Discussion

If an employee feels s/he has a grievance, the employee shall first meet and discuss the matter in good faith with the administrator in an effort to resolve the matter informally. The employee may have representation by the site association representative or his/her designee. The request for the discussions shall take place within twenty (20) duty days after the employee knew, or should have known, of the incident which is the basis of the potential grievance. The discussion shall take place within six (6) duty days.

In the discussion, the employee shall advise the administrator of the particular section(s) of the Contract the employee believes was (were) violated, and how they allegedly were violated. The employee may also present a solution. Verbal dialogue is encouraged and may continue over the next six (6) duty days, a resolution must be presented and agreed upon or the employee shall receive an explanation as to why the administrator believes the contract was not violated. Any resolution shall not violate the contract and shall be reduced to writing by the site association representation and signed by the administration.

2. Step II: Written Grievance

Failure to reach an agreement or failure to respond in six (6) duty days will automatically move the grievance to Step III. The grievance form shall be obtained by the employee from the Association office. Changes to the grievance form shall be mutually agreed to by the parties.

If the discussion above does not resolve the issue satisfactorily, the employee may file a written grievance within ten (10) duty days following the employee's receipt of the

administrator's response. The written grievance shall be presented by the employee during a meeting with the administrator.

The written grievance shall contain:

- Specific date of alleged violation
- Date of Step I meeting
- A concise statement of the facts upon which the grievance is based
- A reference to the specific section(s) of the Contract allegedly violated
- An explanation as to how the employee believes each cited section was violated
- A suggested remedy by the employee.

Copies of the grievance shall be sent to the Employee Relations Department and the Association. A response shall be provided by the administrator, in writing, within six (6) duty days from receipt.

3. Step III: District Level Hearing

If the grievant is not satisfied with the disposition of the grievance by the administrator, s/he may appeal the grievance to the Superintendent/designee. Such appeal shall be made within six (6) duty days of the receipt of the administrator's response, and include the scheduling of a meeting in an effort to resolve the dispute. The meeting shall take place within then (10) duty days of filing and shall include the grievant, his/her representative if requested by the grievant and a member of the Employee Relations Department. Dialogue is encouraged to reach resolution prior to the meeting and both parties shall present any evidence to substantiate their positions in the matter. Within ten (10) duty days of the meeting, the Superintendent/designee shall respond to the grievance in writing.

4. Step IV: Mediation

If the grievant/Association is not satisfied with the disposition of the grievance from the District level hearing, the grievance may be referred to mediation. The grievant/Association and the District shall mutually agree to submit a grievance to mediation. The grievant/Association shall notify the District in writing within six (6) duty days of the conclusion of Step III of the grievant/Association's desire to refer the grievance to mediation. The District shall respond to the request for mediation within three (3) duty days of the written request.

- a. Within six (6) duty days following the agreement of mediation, the grievant/Association shall notify the selected mediation service. The mediation conference shall be scheduled at a mutually convenient location and time.
 - b. There shall be one designated spokesperson from each party at the mediation conference.
 - c. The mediator shall have the authority to meet separately with either party, but shall not have the authority to compel the resolution of a grievance.
 - d. The presentation of facts and considerations shall not be limited to those presented at Step II of the grievance procedure. However, new information shall be shared between the parties prior to the mediation conference. Proceedings before the mediator shall be informal in nature. There shall be no formal evidence rules. No transcript or record of the mediation conference shall be made. The mediator shall attempt to assure that all necessary facts and considerations are revealed to him/her.
 - e. Written material presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference, except that the mediator may retain one copy of the written grievance solely for the purpose of statistical analysis.
 - f. Fees and expenses shall be shared equally by the parties.
 - g. Resolution through such mediation shall be reduced to writing and signed by all parties to the grievance.
5. Step V: Arbitration

If resolution is not reached through mediation or mediation is bypassed, the grievance may be submitted to arbitration. The grievant and his/her representative shall, within twenty (20) duty days after receipt of the decision of the Superintendent/designee, notify the District of the intent to submit the grievance to arbitration.

D. Arbitration Provisions

1. Within fifteen (15) duty days of its notice to the Superintendent, the Association shall request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of seven arbitrators who are qualified to hear public sector grievances or may jointly agree to set up a panel of arbitrators from which to make a choice. Upon receipt of the panel, the parties shall select, within twenty-one (21) calendar days, an arbitrator by the alternate striking method or other mutually agreeable method, and shall notify the FMCS

of the arbitrator selected. The parties shall not be precluded from mutually agreeing on an arbitrator not on the panel.

2. If for some reason the arbitrator will be unable to serve or the parties mutually agree that no person on the panel is suitable, the parties shall jointly request the FMCS to submit a new panel of seven arbitrators from which an arbitrator will be selected in the same manner.
3. Arbitration hearings shall be scheduled within sixty (60) calendar days of selection unless the parties agree to extend the timeline or the arbitrator is unavailable within the timeline. All arbitration proceedings shall be conducted under and governed by the rules of the FMCS.
4. The parties agree to accept the arbitrator's award as binding upon them.
5. The parties shall share equally the cost of arbitration.
6. Should either party request a stenographic transcript of the proceedings, then that party will bear the full costs for said transcript. If both parties mutually agree to a stenographic transcript, then the cost of said transcript will be divided equally between the parties.
7. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on issues submitted.

E. Power of the Arbitrator

1. An arbitrator shall not have the power to add to, subtract from, modify, or alter the terms of this Contract.
2. S/he shall have no power to rule on the substantive reasons of the Board not to reemploy an annual contract teacher, placement of an annual contract teacher on a fourth year of annual contract, or the decision not to continue any teacher in any extracurricular activity, provided that said reason does not amount to a violation, misinterpretation, or misapplication of this Contract. The arbitrator, however, shall have the power to rule on the procedural violations of the above.
3. S/he shall have no power to rule on an alleged violation, misinterpretation, or misapplication of School Board policy, provided that there was no violation, misinterpretation, or misapplication of this Contract.

ARTICLE IV

1. The representative(s) shall check in and out at the work location upon arrival and departure.
 2. Visits with employees at their work location shall not be permitted during student contact time or during a period of assigned duty. Visits with individual teachers shall not require prior notice.
 3. The administrator will facilitate the visit by assigning a reasonable location for the Association representative to confer with employees. The location should provide a reasonable degree of privacy so that the union and employee(s) may speak confidentially. Further, when reasonably possible such location should not be adjacent to the administration offices.
 4. Upon request, the representative(s) shall have his/her presence announced by the posting of a notice and/or over the intercom system, outside the student day. Such announcement shall include the location and time of the visit, and may be made by either the administrator or the site Association representative.

 7. **If new employee orientation(s) are held during the school year, the Association will be notified at least two (2) weeks prior to the opening session(s) of the orientation(s). Subsequently, the District will receive notification from the Association one (1) week prior with their intent to attend the orientation session. The CTA President/designee will be given the same opportunity to speak to new employees as at the district- wide orientation.**

B. Site Association Representatives

1. Upon conclusion of any faculty meeting, the site Association Representative shall be given the opportunity to make announcements relating to Association business. Continued attendance by employees shall be voluntary. Once a month the site Association Representative(s) shall be given the opportunity to hold a meeting during non-student contact time of all instructional personnel at a school site to make announcements relating to Association business. The site Association representative must request such a review in writing, and submit the request to the Association within ten (10) days of the transfer or change.
4. The Association will provide each site administrator the name of the CTA Association Representative at his/her school within six weeks of the beginning of each school year. Notification will be given of any changes throughout the year.
5. The Association shall provide and maintain a current list of site Associations Representatives and provide such a list and updates to Employee Relations.

- a. The Association may, at its own expense, provide an additional bulletin board for its exclusive use subject to the provisions contained in this Section.
 - b. The bulletin board space shall be located in an area mutually determined by the administrator and the site Association representative. The President/designee shall have input into the decision.
 - c. **Only the Association Representative or his/her designee may post or remove information on the bulletin board space.**
2. The Association shall be permitted to use the courier service for maintenance of this Contract, subject to the following:

If the Board is notified officially of any such potential liability, the courier service shall be suspended until such time the matter may be resolved.
 - e. If the Association fails to comply with these provisions, the use of the courier may be suspended upon written notification. Any request for reinstatement of the courier shall be presented by the Association to the Board at a regularly scheduled meeting of the Board.
3. The Association will be permitted to use employee worksite and electronic mailboxes (email). However, the District may deny permission for the Association to use the District's email system if it fails to comply with the provisions of this Section or Section D.4.of Article IV.

4. The Superintendent or designee shall receive a copy of all materials/communications to be distributed district-wide, either through the courier or through email, at least one business day prior to distribution. When the Association disseminates information without utilizing any District resources such as mailbox, email or courier, the Association is not required to produce a copy to any administrator. Emails that are notices for Association meetings at the Association's office do not have to be sent to the District.

E. Association Leave

1. The Superintendent will recommend and the Board will approve, the duly elected president of the Association, a leave of absence to serve as the CTA president for the term of his/her presidency. The district will serve as the fiscal agent for the payment of his/her salary, fringe benefits, and fixed charges by placing the president in an assigned department for payroll purposes only. The Association shall reimburse the Board 100% of any and all sums paid to or on behalf of said president. The Association agrees to hold harmless the School Board for all claims that arise from actions that occur while the CTA president serves in office. Optional insurance coverage may be continued by paying the premiums due during the approved leave of absence. The bill for the optional insurance coverage will be sent directly to the president to continue the insurance plans.

The president shall return to the school previously assigned at the end of the term of his/her presidency. The president shall not earn annual leave, nor be covered by the Board's Workers' Compensation Insurance during said term. The president shall be given credit on the salary schedule for the year(s) served as president and seniority shall be accrued during said leave.

The president may transfer any unused sick leave days accrued as president, provided daily attendance is documented by the CTA president during the period served as president. It shall be the Association president's responsibility to assist in securing the requested transfer of sick leave credit from the Association. One day of sick leave may be transferred for each day accrued upon return to Orange County, up to a maximum of 12 days per year. In case of extended illness or retirement, all withheld hours will be transferred immediately.

For evaluation purposes, the President shall be classified as Category 4 during the years served in office. However, during the first year in office, any salary increases based on the previous year's evaluation scores shall be applied to his/her salary. In subsequent years, while the president is classified as a Category 4 s/he shall receive increases designated as an across the board raise.

2. The Association shall be granted 2% of membership but not less than 105 days of leave per fiscal year for use by its members. No one employee may use more than five of the above days per fiscal year. Additional leave shall be at the discretion of the Superintendent.

 - F. After two years, at the request of an employee, written reprimands, material of a derogatory nature or complaints shall be appended with the notice that the material is no longer relevant for disciplinary purposes, provided there has not been a recent incident of a similar problem or complaint. Recency as used herein shall be two years, except for written reprimands addressing excessive force and/or physical, verbal, or other conduct directed against students or employees in violation of the Code of Ethics of the Education Profession of Florida. In these cases, recency shall be five years.

ARTICLE XII

DISCIPLINE

A. General Provisions

1. An employee may be disciplined only for just cause, and discipline shall be imposed only for a violation of an expressed rule, an expressed order, an expressed policy or a reasonable expectation of management which reasonably should have been known to the employee. This shall not be construed so as to prohibit the administrator from questioning an employee and/or offering reasonable direction at the time of the occurrence of any incident, the result of which might later be dealt with in a disciplinary manner.

2. Any teacher may be suspended or dismissed at any time during the year, provided that the charges against him/her are based on immorality, misconduct in office, incompetence, gross insubordination, willful neglect of duty, drunkenness, or conviction of any crime involving moral turpitude, where applicable, and in accordance with Florida Statutes.
3. Employees shall be entitled to representation in any meeting with the administration when the employee reasonably feels that discipline may result.
4. Prior to imposing any form of discipline, a fair and objective investigation will be conducted.
 - a. The employee shall be informed, in a meeting, of the basis upon which discipline is being considered, the witnesses, the results of any preliminary investigation, and the form of discipline being considered. Reasonable advance notice of the formal conference shall be given.
 - b. The employee shall be given an opportunity to explain, within a reasonable time, his/her perception of the matter and name other witnesses or provide additional information. These shall be investigated prior to taking disciplinary action.
 - c. The employee shall be provided written notification at the conclusion of the investigation when the decision is to take no disciplinary action.
5. During the course of an investigation, an employee may be relieved of duty with pay, which action shall not be considered disciplinary in and of itself. If the relief of duty exceeds ten workdays, written notice shall be provided, including the basis for the time extension.
6. In the event an employee cannot be reached during any period of time when s/he is not required to be on duty, no disciplinary action shall be taken until s/he is required to be on duty, s/he has received actual notification, or a reasonable attempt at notification of the proposed action has been made. Written notice via paid courier to the last known address of the employee shall be considered a reasonable attempt.
7. Employees shall not be required or permitted to discipline other employees.
8. When any state agency is contacted by the administration pursuant to this Article, the affected employee and the Association shall be notified in a timely manner.
9. In cases where an employee's conduct and/or performance indicate that a physical and/or mental examination might be appropriate, the Superintendent may require that the employee undergo such examination, at the expense of the Board. A choice from

among State licensed physicians and/or psychiatrists shall be made by the employee from a list provided by the Board. Prior to requiring an examination, a meeting shall be held with the employee, at which time the basis for requiring the examination shall be explained. This shall be followed up in writing. The employee shall have the right to seek an additional opinion from a State licensed physician or psychiatrist of the employee's choosing and at his/her expense, within a reasonable time.

10. In cases where an employee's conduct or performance forms a basis for disciplinary action, considerations shall be given as to whether or not an Employee Assistance Program (EAP) referral is appropriate. In such cases, and where the employee accepts such intervention, the Board may elect to postpone taking such disciplinary action pending successful completion of treatment through the EAP.
 - a. In cases where performance has deteriorated to a point which may form a basis for dismissal, the Board and the employee may mutually enter into a written agreement which mandates enrollment in the EAP. The terms of such agreement shall include standards of behavior and performance requirements for successful compliance, timelines, and monitoring of both the program of treatment and the employee's conduct/performance. The employee may have representation by the Association in entering into such an agreement and throughout the process of monitoring compliance with its terms.
 - b. Nothing herein shall be interpreted as constituting a waiver of management's right to maintain standards of conduct or performance, or its right to take disciplinary action in cases of misconduct or poor performance.

B. Reprimands

1. Oral reprimands shall be given in private and in a formal discussion.
2. Written Reprimands
 - a. A written reprimand shall be issued within ten duty days of the initial formal conference. This time limit may be extended on cases where additional witnesses and/or sources of information are/were unavailable for further investigation or upon written notice to the employee of an anticipated completion date.
 - b. An employee may, within 20 duty days after receipt of a written reprimand, file a response which shall be appended to the reprimand.
 - c. A written reprimand shall not serve as prima facie evidence of the facts alleged therein in any later situation involving dismissal.

- d. A written reprimand shall be deemed no longer relevant for disciplinary purposes after a specified period of time, in accordance with Article XI, Section F. The reprimand shall indicate such in writing.

C. Suspension without Pay

1. If a given suspension without pay was preceded by a written reprimand for a similar problem, the employee must have been given reasonable time to correct the problem prior to the suspension without pay.
2. An employee may be suspended without pay without a previous written reprimand if serious circumstances exist that could possibly lead to dismissal.
3. For the purpose of discipline, the parties recognize that the board may authorize the Superintendent to suspend instructional personnel without pay for a period of time to not exceed five duty days.
4. The provisions for written reprimands specified above, relating to the employee's right to respond and appending of file documents shall also apply to suspensions without pay.
5. The employee shall receive written notification of the suspension without pay including the date(s) and the basis for this action. A copy shall be placed in the employee's personnel file and another sent to the Association.

D. Dismissal

1. Prior to filing formal charges, the teacher shall be informed that s/he is not required to make a written or oral statement if s/he chooses not to do so.
 - a. Upon completion of the investigation, if a basis for action appears to exist, the Superintendent shall meet with the teacher to explain what the misconduct or other basis for action is, who the witnesses are and other sources of information upon which the action would be based, what recommendation(s) the Superintendent is considering, and what statutory procedures will be followed if charges are filed.
 - b. Within a reasonable period of time, the teacher may explain his/her perception of the facts with respect to the allegations. S/he may explain or identify other sources of information, including witnesses that may provide information concerning the allegations. The Superintendent shall then determine if further investigation is necessary or if formal written charges will be filed without further investigation. The Superintendent shall notify the teacher of his decision.

- c. Any documentation used to support the subsequent filing of formal charges shall be shared with the teacher.
 2. The following procedures shall be used in filing formal charges:
 - a. At least one week prior to the time that formal charges against a teacher will be considered by the Board, the teacher and the Association shall be notified in writing of the Superintendent's recommendation. Notification shall include a draft of the formal charges.
 - b. The Superintendent shall submit the charges to the Board at the next regular meeting, unless there has been mutual agreement to extend the timelines.
 - c. Upon receipt of formal written charges, the Board shall act on the Superintendent's recommendation. If the Board suspends the teacher without pay, insurance benefits shall continue to be provided.
 - d. If the teacher requests a Chapter 120 hearing and it cannot be concluded within the first 45 duty days, a mutually agreeable alternative may be established and followed. This alternative shall be considered on a case-by-case basis.
 - e. A final recommendation shall be submitted to the Board at its next regular meeting following receipt of a written notification waiving the teacher's right to a hearing, the expiration of the timeline to request a hearing without action, or receipt of the hearing officer's recommended order. In the latter case, these time lines may be extended.
 3. At least one week prior to the time that a recommendation will be submitted to the Board in regard to other employees, the employee shall be so notified.
 4. If the charges are not sustained, the teacher shall be reinstated immediately, any unpaid back salary shall be paid, and s/he shall be deemed to have been an active employee during any period of suspension. If the recommendations is either to dismiss a teacher or to fix the terms under which a teacher may be returned to duty, such action shall require an affirmative vote of the majority of the Board.
- E. A teacher holding a continuing or professional service contract may be returned to annual contract probationary status as provided by Florida Statutes.

ARTICLE XIII
REDUCTION IN FORCE

- A. In the event a reduction in force becomes necessary the Superintendent shall notify the Association of such necessity in writing with an explanation of the reasons. Such notification shall be prior to formal School Board action relating to such reduction in force.
- B. The Board shall determine the subject areas and/or programs, and the positions in which reductions must be made. The Association shall be notified of such determinations.
- C. Certification, contract type, seniority, and level of degree shall be sequentially used, as outlined below, to determine the order of layoff. For non-certified positions, the sequence shall begin with seniority. The employee's status on the date of official notice to the Association of a reduction in force shall be used to determine his/her placement within the above factors.
 - 1. Certification for each teacher shall be established. If a teacher has certification in two or more teaching areas, s/he will designate which teaching area will be the determiner of certification for purposes of layoff.
 - a. If a teacher is teaching out-of-field and has completed less than half the requirements for said certification when a layoff occurs, his/her status shall be determined by the area of current certification. If half or more of the requirements have been completed when a layoff occurs, a teacher's status may be determined as if s/he had certification in the out-of-field area.
 - b. The parties recognize that in certain subjects/disciplines and/or programs within an area of certification, or in a program utilizing "any area of certification," specific preparation and/or experience may be required. These may include:
 - 1) Recency of teaching experience in the subject/discipline and/or program.
 - 2) An appropriate combination of licenses, documentation and/or recency of work experience necessary to meet program and/or industry needs.
 - 3) Documentable skills needed to address student needs in a specific program excluding those based solely upon supplemental activities in Appendix B.
 - c. Prior to a layoff, if the District has determined there is a need to utilize the provisions in 1.b. above, the parties shall mutually identify the subjects/disciplines and/or programs to which this shall apply, and what specific preparations and/or experience will be required.

2. Contract type shall be used to determine the order of layoff in the following sequence:
 - a. Temporary Contract
 - b. Annual Contract
 - c. Professional Services or Continuing Contract
 3. Seniority shall be calculated from the first duty day of the most recent period of full-time continuous employment within the District, exclusive of long-term leaves of absence without pay. Half-time experience shall count as one-half of full-time experience for the purpose of calculating seniority. Layoff shall occur in the inverse order of seniority.
 4. The lowest degree level or its equivalent shall be laid off first.
 5. A final determination shall be made, if necessary, by lot.
- D. The position of an employee on a long-term leave of absence shall be treated as if the position were filled by said employee. Any other employee filling said position shall be allowed to fulfill the terms of his/her employment within the sequentially ordered factors applied to the employee on leave.
- E. When employees are identified for a reduction in force from a school or program, they shall be placed on unassigned status. The District shall then identify less senior employees filling positions which these employees are certified and/or qualified to hold, and the least senior employees shall then be laid off. Those employees remaining on the unassigned list shall then be reassigned to these positions.
- F. No new employee shall be placed in a position for which a certified and/or qualified laid off employee remains until all such laid off employees have been recalled or have declined or failed to accept recall.
- G. The following procedures shall be used for recall:
1. Each employee shall be responsible for maintaining with the Employment Services Department, in writing, a telephone number and an address to which a notice of recall may be sent.
 2. The Board shall determine the subject areas and/or programs and the positions for which recall will be made.
 3. Employees shall be recalled in inverse order of their layoff according to the sequential factors in Section C. above. These employees shall be recalled to schools/programs with vacancies regardless of the school/program from which they were laid off.

- a. Nothing herein shall preclude offering a qualified teacher on the recall list reemployment out-of-field, upon recommendation of the Employment Services Department and the Superintendent.
 - b. Full-time teachers on recall who decline half-time positions and half-time teachers on recall who decline full-time positions shall retain their recall rights for full-time and half-time positions, respectively.
 4. Notice of recall may be made by direct telephone contact with the employee, by paid courier or by public notice. Employees shall have five days to respond to a notice of recall.
 5. If the employee declines an offer of reemployment, s/he shall have no further right to recall. Failure to respond to a notice of recall within the time limits prescribed shall be construed as declining an offer of reemployment. If a teacher declines or fails to respond to a notice of recall, it shall not preclude a teacher an opportunity to seek re-employment with the District in the future.
 6. Upon reemployment the employee shall be placed on the salary schedule and granted seniority and benefits as if s/he had been on an unpaid leave of absence. Any waiting period required of new employees for receipt of insurance benefits shall be waived.
 7. Period of Recall
 - a. Laid off teachers with continuing or professional service contracts shall remain on recall for a period of three years from the date of layoff.
 - b. Teachers with temporary interim contracts shall remain on recall until the end of their contractual period of employment.
 - c. All other employees shall remain on recall for a period of time equal to their seniority but not to exceed three years.
 8. After a laid off employee's recall period has expired, the district shall have no further obligation for reemployment.
- H. The foregoing procedures shall be implemented in compliance with any court-required ratio.

ARTICLE XIV

DUTY DAY

- A. Except as otherwise provided in this Contract, the employee duty day shall be seven hours and 30 minutes including a duty-free lunch, or 37 ½ hours per week total.
- B. As part of an ongoing program of school improvement, and in recognition of individual schools' needs to be given increased responsibility for site-based decision making, the parties agree to the following relating to the employee duty day:
 - 1. The duly elected Faculty Advisory Committee and the administrator, with input from the school staff may mutually agree on scheduling arrangements for teachers to include, teaching load(s), student contact time, planning time, duty time, extended-duty assignments, compensatory time, coverage of classes in lieu of using substitutes, scheduling of elementary teachers, the use of flexible time blocks, common planning time, end of course testing schedules, scheduling of special area teachers and the implementation of any mandated school wide programs which affect any of the provisions found in this article. At the end of each school year, each teacher may submit scheduling preferences for elementary special area teachers to this process for consideration.
 - 2. Such agreements shall be conditioned upon a majority vote of support by secret ballot of those voting from the faculty, reduced to writing and distributed to each teacher at the school. The agreement(s) shall remain in effect until the end of the school year. The FAC shall conduct the election. The faculty shall receive notice of the election in writing at least two duty days prior to the voting. The voting period shall extend for up to two duty days. The most senior Association Representative shall be present at ballot counting. If there is no Association Representative, the administrator shall contact the Association President/designee prior to the ballot counting so that s/he may be present to observe.
 - 3. In the absence of mutual agreement, the following provisions shall apply to those areas where such agreement cannot be reached:
 - a. When an emergency situation arises, an extended duty assignment beyond the regular duty day may be made. When such becomes necessary, volunteers shall be sought first. If no one volunteers, consideration shall be given to the employees' personal commitments which cannot be rescheduled. Employees so assigned shall be allowed to take an equal amount of time off during non-student contact time, within ten duty days or at a time mutually agreeable between the teacher and the

principal. Employees may receive time off for voluntarily participating in school activities occurring outside of their regular workday.

- b. When a medical or legal appointment involving the employee or a member of his/her immediate family, or a school-related conference involving the employee's dependent, is required that cannot be scheduled outside the employee duty day, or when an employee attending in-service or college classes needs reasonable commuting time, an employee may be allowed to leave at the end of the regular student day, provided acceptable arrangements to accommodate duty or other school activities have been made and are communicated.
- c. When a personal emergency results in an employee either having to arrive late or leave early, the employee shall be charged with appropriate leave, only when the absence exceeds one-quarter day and/or requires the use of a substitute.
- d. No teacher shall be assigned responsibility for students for more than three continuous hours.
- e. Except as may be provided elsewhere in this Contract, assigned instructional responsibility shall be based upon approximately 25.5 hours per week, except in post-secondary schools and Voluntary Pre-Kindergarten classes where it shall be based upon no more than 30 hours per week. In the secondary schools, assignments to a supervised study hall or non-compensated extra-curricular activity during school hours shall be considered assigned instructional responsibility, however passing time shall not.
- f. In the event supervision of students, both within and/or outside of the regular student day, is required, assignments shall be rotated on an equitable basis to the extent possible.
- g. Administrators will cooperate with employees in making arrangements for a break in either the morning or afternoon. **Employees needing to use the restroom may call the office at any time of the day to receive relief without a delay.**
- h. Elementary teachers shall have an average daily planning time of 60 minutes, at least 45 of which shall be contiguous. Middle and high school teachers shall have a contiguous daily planning time equal to a student academic period or 50 minutes, whichever is less. The parties recognize that in some cases, contiguous planning time may need to be temporarily adjusted due to unanticipated circumstances. Post-secondary teachers shall have an average daily planning time of at least 50 minutes.

Planning time shall be used for purposes of preparation, which may also include conferences with parents, administrators, or other teachers, and/or giving special assistance to students. A teacher shall not be restricted to remain in a particular area of the school during his/her planning time; however, this provision does not apply to common planning time. A reasonable effort shall be made by the administrator to provide a special area for planning. Schools shall provide a common planning time once a week for instruction.

Teachers who assume additional teaching or duty assignments or have rotational assigned supervision during the student day may not necessarily be guaranteed the planning time outlined above.

- C. The Board agrees to provide substitute teachers for art, music, and physical education teachers and media specialists. No teacher shall be used as a substitute for another teacher except in cases of emergency or unforeseen circumstances. The District shall maintain a substitute pool for the filling of vacancies due to absenteeism.
- D. Media centers in all schools shall observe a flexible schedule.
- E. The Board shall encourage class sizes consistent with District goals, the nature of different subject matter, instructional objectives, the requirements of different instructional processes, the capacities of the physical facilities, state laws and regulations, and the special needs of students.
 - 1. If an individual teacher feels a class has an excessive number of students, s/he may request a meeting with the administrator who will discuss the issue with the teacher and attempt to resolve it.
 - 2. If the matter cannot be resolved within two weeks at the school level, it shall be referred by the administrator to the appropriate associate superintendent who will within two weeks assess the situation and make a final decision as to whether an adjustment in class size should be made. Said decision will be communicated to the teacher and will state the reasons.
 - 3. If district-wide ratios for students to social workers not assigned to schools exceed the prior year's ratio, the designated lead social workers may request a meeting with the Superintendent or designee to discuss the issues and attempt to resolve them.
 - 4. If the district-wide ratios for students to school psychologists not assigned to schools exceed the prior year's ratio, the designated lead school psychologist may request a meeting with the Superintendent or designee to discuss the issues and attempt to resolve them.

- F. Employees shall check (√) in and out upon arrival and departure from their work site.
- G. On the day before a scheduled holiday, the employee duty day shall end at the close of the student day. Non-school based personnel may leave 30 minutes before the end of their regular day. If the day before the Winter and/or Spring Holiday period for school based teachers is a non-student contact day, it shall be 6.5 hours in length.
- H. The parties recognize the importance of employees' participation in school-related activities, such as open house, PTA, and other school functions, which occur outside of normal working hours and flex time may be used for affected teachers. The administrator may require attendance at the school's annual open house.
- I. On election days, employees whose duty day usually begins 45 minutes or more before the student day who wish to vote before the duty day begins, may opt for reporting to work 15 minutes before the student day. In the alternative, employees may leave at the end of the student day for purposes of voting.
- J. An employee, other than an itinerant employee, who is required to leave his/her work site in the performance of assigned duties, shall leave with his/her administrator a daily itinerary, so that the employee can be reached throughout the duty day. An itinerant employee shall provide a weekly schedule to the administrator of each school s/he serves during the week. The schedule shall include a duty-free lunch, planning time (if applicable) and travel time. Each itinerant teacher shall be assigned a private space to provide instruction.
- K. Employees may, with the approval of the administrator, take part in activities outside the school building which are of interest to their present and prospective students. These activities shall include, but are not limited to, liaison activities with community and social agencies, vocational/educational guidance workshops, parental contact, exceptional education home visits, and job and educational placement activities.
- L. Middle and senior high school teachers shall not be required to teach more than two subject areas.
- M. Employees shall be scheduled for a minimum of 25 minutes for lunch, which shall be within the scheduled lunch periods for students except on field trips on in unplanned emergencies. On student contact days, in work locations where there is no lunchroom or in job assignments which permit flexible lunch schedules, an employee may be given approximately one hour for lunch by mutual agreement with his/her administrator. In such cases, the workday for the employee may be proportionately extended to provide for equity with other employees, without violating this Contract. On any non-student contact day, employees shall have a lunch period of one hour which may be off site.

- N. An employee may leave the work site, upon receiving permission, during his /her planning time and duty-free lunch. No reasonable request shall be denied.
- O. When post –secondary courses are taught in three-hour blocks and students are given a break, teachers shall be entitled to the same break.
- P. Irregular Scheduling
 - 1. The parties recognize that certain post-secondary, district-level and/or special programs may require variations in scheduling. Such irregular scheduling shall be voluntary and may be used when insufficient student enrollment exists, based on current program standards, to justify a regular assignment of an employee.
 - a. Student Minimums in Career Technical and Adult General Education Programs shall be determined by school based administration. Exceptions to the-standards shall be considered on an individual program basis.
 - b. When a need for an irregular schedule exists, the administrator shall meet with the affected employee at least ten duty days prior to said assignment. Volunteers shall be sought first. When certification and job experience are equal, preference shall be given to the most senior employee who volunteers. If no volunteers are available, then the administrator shall select the least senior qualified employee eligible for a teaching assignment in the affected area. The affected employee may request a review of other options which might modify the need for split shifts.
 - c. An employee who is assigned an irregular schedule shall be informed of the reason for and the specific duration of the assignment. Within 45 student contact days, the program will be re-evaluated. The duration may be extended because of specific program needs for the remainder of the school year. There shall be no expectation of such extended hours from year to year. If sufficient enrollment then exists, the employee shall be returned to a regular schedule.
 - 2. Employees other than those on split shifts, who work flexible hours within the regular work day shall be given compensatory time so that they do not work in excess of 37½ hours per week. If the work week is extended beyond 37½ hours in order not to disrupt the quality of a program, the excess hours shall be accrued under the provisions of Section B.1.a.
- Q. Required meetings or other required activities relating to the Teacher Induction Program normally shall not be scheduled so as to infringe upon teacher planning time or lunch of either the peer teacher or the beginning teacher. Arrangements shall be made to relieve these teachers of student contact time or other required duties for a period equal to that utilized in required meetings or activities relating to the Teacher Induction Program.

- R. If district-wide committees/task forces or School Advisory Councils on which teachers serve, schedule their meetings during a part of or all of the duty day, teachers shall be given release time to attend.
- S. Workdays shall be used primarily for grading and planning, and other requirements shall not exceed approximately one hour. Grades shall not be required more than one hour prior to the close of the day.
- T. Teachers shall attend faculty meetings as called by the administrator. Any meetings called to solicit funds from teachers shall be pre-announced as to the meeting's purpose and teacher attendance shall be voluntary. Faculty meetings shall be called for specific reasons, and except during preplanning and post-planning, shall not exceed approximately one hour per week except for emergencies. **Beginning in 2020-21, scheduled activities during preplanning will be limited to the equivalent of no more than two and one-half (2 ½) duty days** so as not to significantly impede the teachers' time for preparation for the coming school year. **This does not apply to new hires to the District and/or work location, schools assigned to the School Transformation Office, or schools identified as Corrective Program Schools.**
- U. Physical education teachers who are routinely responsible for multiple classes and are regularly provided assistance shall be assured of similar support in the event of absenteeism.
- V. During the contract year, whenever a fifth Wednesday of the month falls on a duty day, teachers will receive an uninterrupted planning period after student contact time. No meetings, workshops or professional development will be scheduled during this time.

On the following Wednesday when testing has ended, all teachers shall be permitted to leave at the end of the scheduled student day. There shall be no mandatory professional development or required administrative meetings for teachers on that Wednesday. If two Wednesdays are required back to back, teachers shall be allowed to leave at the end of the scheduled student day on the following back to back Wednesdays. Other arrangements may be made between a teacher and the administrator with mutual consent.
- D. **Beginning with the 2020-21 school year, a maximum of two (2) early release days per month shall be used at the sole discretion of the administrator. Remaining early release days shall be used for uninterrupted planning time after student contact time. Teachers will be provided a copy of the schedule during preplanning for the first semester and before winter break for the second semester.**
- E. - F. Attendance at in-service activities off the school campus shall be voluntary except when attendance at such activities is necessary for the implementation of a required program. There shall be no mandatory in-service during the first or final day of preschool planning nor during post-school planning for school-based employees.
- G. Teachers who must prepare Individual Educational Plans (IEPs) shall be provided up to four student contact days per year to perform duties related to said preparation, at times mutually

agreeable between the teacher and the administrator. Additional time may be requested. Release time from regular duties shall be provided in reasonable time blocks.

- H. Any teacher transferred within the student year, or hired after pre-planning, shall be provided at least three student contact days for orientation and preparation prior to assuming responsibilities for teaching students.
- I. If, after the start of the school year, a change is made in an elementary teacher's grade level or a middle school teacher's team assignment, such teacher shall be given two student contact days for orientation and preparation. In secondary schools, such shall be applicable for a teacher reassigned out-of-field, and the two days shall be prorated to conform to the actual number of classes changed. Other secondary teachers whose assignments must be changed during the school year requiring a new preparation shall be given notice of at least two days.
- J. Extended Employment
 - 1. Employees shall be reimbursed for any extensions of employment at their daily rate of pay, per their primary contract for the school year just completed, except as may be provided elsewhere in this Contract.
 - 2. Employees shall be notified of the availability of extended employment opportunities one month before the end of their work year. The acceptance of extended employment is voluntary on the part of the teacher, and such acceptance signifies a commitment to the particular extended employment.
 - 3. Beginning in the 2014-15 school year, JROTC teachers shall work 196 duty days. They shall be offered up to ten (10) duty days of extended employment and the period shall be mutually agreed upon between the administrator and the teachers. The principal has the option to offer additional duty days of extended employment beyond the ten (10) duty days.
 - 4. The athletic director shall be offered up to 20 days of extended employment and the period shall be mutually agreed upon between the administrator and the athletic director.
 - 5. CRTs assigned to elementary schools or special centers may be offered extended employment of up to 20 days during the summer months.
 - 6. Guidance counselors, media specialists, and Magnet Program Coordinators may be offered extended employment for the period following post-planning and/or for the period preceding preplanning.

7. Secondary cooperative vocational education teachers and vocational agriculture teachers may be offered extended employment for the summer months. If these secondary schools have a ninth grade center, the days used for the extended employment may be used between the teachers from the main campus and the teachers from the ninth grade center.
8. High Schools shall be given a total of five (5) days of extended employment for the athletic trainer (s) to cover athletic practices prior to pre-planning.
9. Summer School
 - a. Regular employees shall be considered for summer employment for which they are qualified before others are hired. Such consideration first shall be given to those assigned to the school for the coming year. In post-secondary schools, if a course is continued during the summer session, the position(s) first shall be offered to a teacher who taught that course during the regular school year.
 - b. Nothing herein shall prohibit mutually acceptable agreements between employees and administrators to divide these work assignments in an equitable manner.
 - c. Teachers shall be paid a full day's salary if they report to work in the summer session and there are not enough students to justify the continuance of a class.
 - d. Each high school with a summer academic program will be provided with a minimum of one half-time media specialist for the summer session.
- K. Nothing herein shall preclude the Board from adopting a modified workweek during the summer months. If the workweek for the summer program is modified from a regular five-day workweek to a concentrated five-day workweek, the following shall apply:
 1. The duty day shall be nine hours and 22 minutes in length with a required on-site portion of at least eight hours and 30 minutes, including a 30-minute duty free lunch. Employees may leave the school during their duty free lunch.

5. Additional Period Pay
 - a. The parties recognize that in some K-12 schools, teachers may volunteer to teach more than the required number of teaching periods. Teachers who accept these extended teaching assignments may not be scheduled with the same amounts of planning time, student contact time, or other duty assignments as other teachers. If more teachers volunteer than are needed, teachers shall be selected according to seniority from among those qualified to hold a position.
 - b. For teaching each additional instructional period during, before or after the regular student day, the amount of the supplement the teacher receives for teaching the additional period should be based on the hourly rate of pay for an entry teacher with no experience based on the current year's salary schedule. Calculations will be as follows: the annual salary of entry teacher based on the previous year's salary schedule/196 days in a teacher's contract year/7.5 hours in a teacher's workday x 180 instructional days of instruction in a year, rounded to the nearest one hundred dollars. This amount may be prorated by semester based on the school's academic needs. For teachers with the additional instructional period before or after the regular student day, the normal teacher load must be completed during the regular student day.

- c. This shall not preclude a teacher whose primary assignment is non-classroom teaching from receiving the supplement in B.5.a. above upon approval of the Superintendent's designee.
 - d. Any Florida statutory requirement of schools to provide additional instruction outside of the standard student day or year shall adhere to the following:
 - 1) The assignment for instructors at these schools to teach during the extended day or year is required on the part of the teacher. In doing so, these teachers shall receive an additional pay equal to their hourly rate.
 - 2) Teachers at the designated schools may request in writing a transfer within ten (10) days of notification. A teacher shall be placed in his/her same school level (elementary, middle, or high) if such a vacancy exists. If a school level vacancy does not exist, the teacher shall be placed in a vacancy for which s/he is certified. Teachers shall be placed in their equivalent school if such vacancies exist. The District shall make a reasonable effort to transfer the teacher to a position in close proximity to his/her original assignment.

Employees, who are assigned irregular schedules in accordance with Article XIV Section P, shall be compensated as follows:

- c. Teachers selected for these supplements who have not had a break in service since 1996-97, shall be assured of the applicable amount as set forth above or the amount received in 1996-97, whichever is greater.
- C. The fiscal year for 10 and 11 month teachers begins with the first day of their primary contract. The number of duty days in a teacher's primary contract is specified in Article XV.A. The daily rate of pay for teachers shall be determined by dividing their annual salary for their primary contract of employment by the number of duty days specified therein.
- D. In-service training and planning on a non-duty day will be compensated at a minimum of \$60 for a three hour day and \$120 for a six hour day, provided the funding is available. Non-monetary consideration in lieu of the above may be agreed to between the administrator and the employee. This provision shall apply to compensate teachers newly hired to the District for work performed prior to the start of their contract. Such payment shall be authorized only upon successful completion of background screening including fingerprinting and drug testing. This will not become effective until the date of final ratification of the 2014-15 contract. This language is not retroactive to the beginning of the 2014-15 SY.
- E. Summer session employment shall be paid at the teacher's rate of pay per their primary contract for the school year just completed.
- F. Method of Payment
 1. Employees shall be paid biweekly beginning on the third week of their work year. The number of payments to be issued will correspond to the length of time from the first to the last duty day in the school year. Two payments per year will be for eight days each and will occur during pay periods where there are no insurance deductions. The remaining payments will be for equal amounts of nine days each.
 2. If requested on or before the last day of preplanning, ten-month teachers shall be placed on deferred pay status. These employees shall receive their regular salary in biweekly installments, and their remaining salary shall be paid at the time of the employee's final payment of the year.
 3. To the extent permitted by law, and provided employees will not be paid in advance of time worked, payments shall be issued biweekly. When a payday falls on a bank holiday, the payment will be made on the business day prior to the bank holiday.
 4. The parties agree to mandatory direct deposit effective for all employees by December 31, 2006. Upon request of an employee, the Board shall provide direct deposit of each of his/her payment to the financial institution of the employee's choice, subject to regulations relating to direct deposit.

5. The Board shall issue payments to employees employed in summer school in equal installments on a biweekly schedule, insofar as possible.
 6. Under normal circumstances, supplements will be included in the employee's regular payment.
 - a. Payment for high school winter sports will begin in November and for spring sports in February.
 - b. Payment for middle school sports will begin the month following the beginning of each sport season.
 - c. Up to \$100 of the agribusiness and/or FFA supplements may be held until after completion of all required activities during the month of June.
 7. Payments shall be generated in a manner that guarantees privacy.
 8. Any payment which must be rewritten due to an employee's absence(s) near or at the end of the work year shall be reissued within one week following his/her last duty day.
 9. It is understood that the last payment in the fiscal year may not be distributed until after the final duty day, in which case employees will be expected to make arrangements for either mailing or pick-up of their last check.
- G. If active service is terminated by death, all salary owed at the time of death shall be paid to the employee's designated beneficiary or estate if no beneficiary has been designated.
- H. Employees shall be paid entry salary with no experience until such time as verification for experience is received by the Board. Upon verification of experience any adjustment of salary shall be made by the end of the next payroll period. Any salary adjustment for experience credit shall be retroactive to the first duty day of the employee's primary contract, in the fiscal year in which the verification is received.

One day more than the number of days constituting one-half year of another district's regular school year shall be considered as one year of credit.

A teacher shall be paid on the salary schedule, based upon the following criteria:

1. Teaching Experience
 - a. In-state public school teaching experience: Credit shall be given for each year of full-time public school teaching service earned in the state of Florida which is verified by previous employer(s). Re-employed retirees are exempt from this

provision. Experience credit shall be reviewed and pay shall be based on what similar teachers with the same amount of experience credit are compensated.

For 2014-2015, newly hired teachers who worked at another Florida school district or charter school during the 2013-2014 school year will receive a one-time recruitment bonus, equivalent to half of the respective 2014-2015 salary increase amounts (COLA plus performance) based on their officially documented 2013-2014 summative evaluation rating. Documentation consisting of print screens of the evaluation rating must be provided to Human Resources during the teacher's first calendar year. Teachers who did work at OCPS during the 2013-14 school year and received a final evaluation rating, are ineligible for this bonus and will return to OCPS at their previous salary plus 2014-2015 increase (COLA plus performance).

- b. Out of state public school teaching experience: Instructional personnel hired from outside of the state of Florida shall receive credit for each year of full-time public school teaching which is verified by the previous employer. Experience credit shall be reviewed and pay shall be based on what similar teachers with the same amount of experience credit are compensated.
- c. Instructional personnel hired from private schools (or school systems, including college) shall receive credit for each year of full time teaching. Teaching experience may be added to all prior public school experience credit. Experience credit shall be reviewed and pay shall be based on what similar teachers with the same amount of experience credit are compensated.
- d. Instructional personnel shall provide verification of effective performance for all years of experience to the Human Resources Department.
- e. Paid holidays shall be counted in computations which apply to credit for teaching.
- f. Half-time: Effective July 1, 2011, half-time teaching shall be counted year for year for salary credit. Half-time teaching prior to July 1, 2011 will continue to be combined so two one-half years equals one year of experience. Half-time experience shall continue to count as one-half of full-time experience for the purpose of calculating seniority.
- g. Half Year: Work less than the number of days constituting one-half year of another district's regular school year. Teachers may combine two one-half years of experience for a full year of teaching credit. One-half year of teaching shall be defined as at least 26% to 50% of the total number of days, 26% of which must be continuous duty days, in any regular school year.

- h. Teaching experience credit shall apply to equivalent school employment, such as guidance counselor, media specialist, and curriculum resource teacher. Working in the position of a four-year degreed permanent substitute in the District shall count as equivalent school employment.
 - i. No salary credit shall be given for substitute teaching, graduate assistantships, private nursery school pre-k or kindergarten teaching, unless pre-k kindergarten teaching was a part of an elementary school or school district.
 - j. Teachers shall receive no salary credit for teaching for any time prior to being awarded a four-year degree.
2. Work Experience
- a. All years of work related experience, excluding those years required for certification, shall be granted for salary purposes to those positions requiring work experience for certification and to school psychologists, social workers, audiologists, and speech therapists. Experience credit shall be reviewed and pay shall be based on what similar teachers with the same amount of experience credit are compensated.
 - b. Upon initial employment, teachers who fill positions for which work experience may be used or is required for certification, shall be granted either work experience credit (above that used toward certification) or teaching credit, for salary purposes.
 - c. Work experience may be combined for salary credit in the same manner as such combinations apply to certification based on work experience.
 - d. If a teacher transfers into a position for which work experience may be used or is required for certification, the teacher may apply work experience (above that which would have been used for certification) in lieu of teaching experience for salary purposes. Such adjustment shall be retroactive to the first day of employment of the fiscal year in which the teacher applies for the adjustment.
 - e. In no case shall both work experience and teaching experience, as used in conjunction with one another above, be granted for salary purposes if earned during the same calendar year.
 - f. Teachers who are certifiable in the critical needs areas of mathematics, science and exceptional education may be granted, upon initial employment, work experience credit for all years of work related experience. Work experience must be directly related to the position for which the teacher is hired, and documentation must be provided by the teacher for review and approval by Employment Services.

5. **Former employees who are re-hired, other than those who retired from the District, shall return to their previous salary less any differential as outlined in Article XVI. B., or be placed on the new teacher entry placement schedule, whichever is greater.**
- I. Salary adjustments for administrative mistakes in granting salary credit shall be retroactive. The retroactive period for back pay shall include the current year and up to a maximum of five previous years. The district will correct an error involving wages or other means of compensation up to two years from the date the error was identified per F.S. 95.11. The employee shall receive back pay, once s/he has brought the matter to the attention of the Employment Services Department, at the end of the next payroll period. If an employee has been overpaid, an adjustment shall be made at the end of the next payroll period, and arrangements shall be made whereby the employee may take a period of time, up to the end of that school year, to reimburse the Board for such an overpayment. In extreme cases, the time may be extended. Except in cases where an employee knew or should have known of the overpayment, the total amount due for an overpayment on the salary schedule shall only be retroactive to the beginning of the school year in which the over payment was discovered. It is the employee's responsibility to review his/her salary statements for accuracy.
- J. An employee shall be responsible for providing documentation of academic degrees and experience for salary, differential pay and supplement purposes to the Employment Services Department.
- K. A PSC/CC teacher's salary may be frozen if identifiable less than effective performance exists. The following procedures shall be used:
1. The administrator shall notify the teacher in writing of the less than effective performance, including specific examples. Notification shall occur prior to the beginning of the second semester.
 2. A conference shall be held between the administrator and the teacher within ten duty days to review the matter. A specific written plan, including reasonable timelines, shall be developed by the administrator to assist the teacher in improving performance.
 3. Within ten duty days of the development of this plan, the teacher may request an independent review of the matter by the applicable associate superintendent.
 4. Failure to demonstrate significant improvement prior to one month before the end of the teacher's work year may result in a recommendation by the administrator for retention of the teacher on the salary schedule.
 5. The Superintendent shall make a decision for retention on the salary schedule prior to the end of the teacher's work year and shall so notify the teacher in writing, with a copy to the Association

6. The teacher shall be entitled to Association representation throughout this procedure.
 7. Such freezing of a teacher's salary shall not be used two years in a row, unless the provisions of Article XII Section C. have been initiated.
- L. For any solicitations of contributions from instructional personnel, the District shall ensure that all contributions and information about contributions shall be kept confidential.

MEMORANDUM OF UNDERSTANDING
Catalina and Lockhart Elementary Schools
Supplement
August 9, 2019

The Legislature passed and the Governor signed SB 7070, Turnaround School Supplemental Services Allocation (TSSSA). Recently, the Florida Department of Education (DOE) identified ten Orange County schools to be included in this allocation. These schools are either required to implement a district-managed turnaround plan or exited turnaround status within the last two years. The total allocation for the ten schools exceeds \$2.8 million. This allocation includes funds for extended instruction such as tutoring as well as funds for professional development.

One provision of the grant requires strategies for the recruitment and retention teachers. The District satisfies this requirement with the Targeted Schools supplement provided to all instructional personnel assigned to a Targeted School. All of the identified schools are Targeted Schools with the exception of Catalina and Lockhart elementaries. The portion of the \$2.8 million allocation for these two schools totals approximately \$500,000. If we do not adopt a recruitment and retention strategy for these schools, the state will withhold the funds for these schools.

The parties enter in to this Memorandum of Understanding (MOU) to provide all eligible teachers assigned to Catalina and Lockhart elementaries with an annual supplement in the amount of \$3,000 to be paid bi-weekly.

In addition, the parties agree to meet to discuss the criteria for Targeted Schools to include perhaps those schools eligible for the TSSSA allocation beginning with the 2020-21 school year.

This agreement expires June 30, 2020.

SCHOOL SAFETY OVER POLITICS
CLASS ACTION GRIEVANCE
Grievance No. C-020-027

The Orange County Classroom Teachers Association (“OCCTA” or “CTA”) herewith files this class grievance and demands that it be **expedited and submitted to an arbitrator immediately to be heard and decided within 72 hours of this grievance**. The timelines set forth in Article III of the CBA must be bypassed to save lives. **Time is of the essence**.

Statement of Facts

This is a class grievance filed by OCCTA on behalf of over 14,000 bargaining unit members including teachers, psychologists, nurses, deans, speech therapists, guidance personnel, occupations specialists, media specialists, and social workers.

Florida is the international epicenter of the COVID-19 pandemic. Every day, COVID-19 cases, hospitalizations, and deaths rise across the state, including in Orange County, at alarming and disturbing rates. Instead of fulfilling its paramount duty of keeping students and educators safe, Orange County Public Schools (“OCPS” or the “District”) is putting lives at risk by failing to follow the expert advice and guidance of health authorities, refusing to follow CDC guidelines, and repeatedly violating Collective Bargaining Agreement (“CBA”) language that protects its employees.

The District has a legal, contractual, and ethical duty to provide safe schools for all students and employees. In order to meet that duty, it must start the school year with online instruction and maintain brick and mortar schools closed until health experts deem it is safe to open. Further, it must implement sound safety protocols and provide comprehensive training for a safe return to school buildings when community spread is controlled, along with meaningful training on the delivery of online instruction. OCPS has entirely failed to do any of these things.

Instead, the District has put a band-aid on the issue that completely fails to address the communities’ underlying concerns and violates the CBA. The District is giving lip service to safety by pushing the student start date back less than two weeks, and requiring face-to-face learning just as soon. In doing so, **OCPS did nothing to cure the serious threats to the health and safety of students, teachers, and the community**. Moreover, it has failed to offer any plan or time for urgent and necessary training to maintain a safe and high-quality education amid a raging pandemic.

The District’s quick-fix and ineffective “solutions” are carried out on the backs of educators who are afraid for their lives and the lives of their families. CTA agrees with the District’s view that it is unsafe to open brick and mortar schools on August 10th given the alarming community spread of COVID-19. However, by merely pushing the student start date to the end of August instead of starting the school year with online learning, as recommended by health experts across the country, thousands of teachers will still be forced to return to unsafe classrooms and be exposed to a deadly virus. **Each day, they will return home to their**

children, spouses, parents, and other loved ones and expose them to serious illness and even death.

This disregard for the wellbeing of its employees is further exacerbated by the District's unilateral decision to push their first paycheck to September, **leaving thousands of educators to contend with how they will pay their bills and feed their families during the worst of times. And during a time when many of them have lost their second jobs and/or their spouses have lost their jobs.** The District's actions jeopardize the health and welfare of employees and their families, including their own children, many of whom are students in this District.

This grievance seeks relief on behalf of all OCPS educators who will be **forced to risk their livelihood, health, and lives because of the District's illegal actions**, including its violations of several protections guaranteed by the CBA.

Relevant Collective Bargaining Agreement Provisions

By its actions, the District has violated the following CBA provisions and all other relevant articles and agreements. The Union reserves the right to amend or supplement this grievance as it deems appropriate including through the discovery of additional evidence.

Article I. Recognition

A. The Board recognizes and acknowledges the Orange County Teachers Association, Inc., as the exclusive bargaining agent and agrees to negotiate with the Association's designated representative pursuant to the provisions of Chapter 447, Florida Statutes, for all certified non-administrative personnel as defined herein including employees on Board-approved leave of absence.

The District has repeatedly violated this provision by making unilateral changes to terms and conditions of employment and consistently failing to bargain in good faith with its educators' chosen bargaining agent.

Article II. Negotiations Procedures

*C. Neither party shall have any control over the selection of the bargaining representatives of the other party, and the parties mutually pledge that **their representatives will be empowered to reach tentative agreement on items being negotiated.***

The District's bargaining representatives have lacked any authority to reach tentative agreements on urgent issues that must be resolved to keep schools safe.

D. This Contract may not be modified in whole or in part except by mutual written agreement.

F. The agreements in this Contract shall supersede any rules, regulations, or practices of the Board which are contrary to or inconsistent with the terms recorded herein.

The District has unilaterally modified and violated several CBA provisions and agreements incorporated therein.

Article IV. Association Rights

F.1. The Board shall provide the Association access to public records not exempted by Florida Statutes at mutually agreeable times and with a staff member present.

The District's lack of transparency and communication not only violates the contract and the law—it has been used as a weapon to prevent CTA from protecting the educators it represents.

The District has failed to provide CTA access to material documents in a timely manner and has, on more than one occasion, **refused access to key information necessary for bargaining and to keep employees safe**, including a list of worksites with COVID-19 positive cases and the procedures used to sanitize said worksites and safeguard employees.

K.1 Prior to March 1 of each year, the parties shall meet to discuss tentative school calendars for the following year and attempt to reach mutual agreement. If agreement is not reached, the Board shall establish its calendar using the parameters set forth in Article XV Section B.

The District's unilateral change of the calendar, that had been established pursuant to the CBA, not only violates the parties' agreement—it constitutes an unfair labor practice. The School Board has a duty to bargain over adoption of school calendars containing teacher workdays.

The District did not discuss or negotiate the change to pre-planning days, first pay date, or any other calendar changes. Indeed, the Union first found out about the District's contract violations and unfair labor practice through the media and through messages from hundreds of concerned educators across the county—once a decision had already been made. Absent written agreement by the parties, the District is legally required to maintain the previously approved calendar. **Educators cannot be left wondering how they will support their families.**

Article VI. Working Conditions

K. The Board agrees to maintain safe and healthful working conditions, including the provision of safety equipment. The District shall investigate complaints of harmful indoor air quality and take measures to reasonably accommodate employees if necessary. No employee shall be disciplined for refusal to work in an unsafe or hazardous situation where there is an eminent danger to the employee's health, safety or well-being, provided that this shall not be applicable in any circumstances where the health and safety of students otherwise clearly require employee intervention.

By forcing the reopening of all brick and mortar schools amid a resurgence of COVID-19 cases

the District is failing to maintain “safe and healthful working conditions,” as required by the CBA, Florida law, and moral obligation. Health authorities, including the CDC, caution that **physically reopening schools with the current community spread of COVID-19 in Orange County is unsafe and creates the highest risk—people will die.**

The District’s lack of sound safety protocols, refusal to follow CDC guidelines, and failure to provide necessary training and make the adequate provision of safety equipment as employees returned to their worksite over the summer underscores its **reckless disregard for the health of students and educators and the dangers they will face if schools are physically open in August.** The District has not developed any plan to correct these unsafe conditions.

Memorandum of Understanding

The District violated the parties’ attached MOU, dated June 11, 2020, by changing the first day of pre-planning for the 2020-2021 School Year from July 31st to August 13th.

Remedy

1. Maintain brick and mortar schools closed until health authorities and CDC guidelines deem it is safe to open.
2. Begin the 2020-2021 school year with online instruction for all students, and ensure adequate provision of resources so that all educators may properly and professionally provide instruction.
3. Develop and prepare comprehensive safety protocols, in compliance with CDC guidelines, for immediate implementation once it is safe to return to school buildings.
4. Prior to the start of student instruction, provide all employees with meaningful training on safety protocols and the delivery of online instruction.
5. Honor the calendar approved on June 7, 2020.
6. Cease and desist from further contract violations.

WHEREAS, the CBA Article XV.B.1 states:

“Six (6) days of pre-planning prior to the first student attendance day, one of which will be a voluntary Staff Development Day, and two days of post-planning following the last student attendance day.”

WHEREAS, the School Board approved the additional pre-planning day to be on July 31st.

NOW, THEREFORE, it is agreed as follows:

1. The parties agree that Instructional Personnel will be allowed to select from the following options for the July 31, 2020 preplanning day:
 - Work in their classrooms;
 - Work from home;
 - Take a personal or sick day; or
 - Take Leave Without Pay
2. Teachers who opt to work from home will notify their administrator of that choice, and will provide their administrator with a brief summary of work completion.
3. This agreement shall not waive the Union's right to invoke the protection of these Articles for any other school year.

ACKNOWLEDGEMENT, SIGNATURES AND DATES:

The MOU shall expire on July 31, 2020. This Agreement may be executed in counterparts, and each counterpart will have the effect of an original.
